

ANKIT KUMAR

Ghaziabad, UP | +91 8102415079 | jaisankit1645@gmail.com

SUMMARY

Aspiring AI specialist with a basic foundation in AI model training, data handling, and prompt engineering. Experienced in teaching diverse student groups, simplifying complex topics, and fostering interactive learning. Passionate about leveraging AI technologies like ChatGPT, Gemini, and Copilot to enhance my educational experiences.

PROFESSIONAL EXPERIENCE

Dec 2023 - Present

Teaching Volunteer – Light de Literacy (NGO)

- Taught students from Grade 8 to college level, simplifying complex concepts in mathematics, science, and technology.

PROJECTS

FitJourney – Web-Based AI Workout Assistant

- Built an interactive fitness web app using React, Tailwind CSS, and JavaScript.
- Implemented AI-driven personalized workout plans based on user input.

Healthcare Website – HTML, CSS, JavaScript

- Developed a healthcare information platform to provide essential medical resources.
- Created a user-friendly UI for appointment booking and health tips.

Netflix Clone – Frontend Web App

- Designed a Netflix-inspired homepage using HTML, CSS, and JavaScript.
- Implemented a responsive UI with a clean and interactive design.

SKILLS

- AI & Machine Learning: ChatGPT, Gemini, Copilot
- Development: Frontend Web Development (React, Tailwind CSS, JavaScript, HTML, CSS)
- Collaboration & Version Control: Git, GitHub
- Productivity Tools: MS Office (Word, Excel, PowerPoint)

EDUCATION

Oct 2023 - May 2027

Bachelor of Technology (Computer Science & Engineer)

ABES Engineering College Ghaziabad

- In specialization with AI & ML.

ADDITIONAL INFORMATION

- Languages:** English, Hindi.
- Awards/Certification/Activities:** Qualified for JEE Advance 2022, 2023. Ardethon Runner Up 2024 (Hackathon organized by AIML Dept. of ABES EC).
